Directions to our new office [Map](#)

By Car: Take the 401 to the Keele Street exit. Go north to Wilson Avenue. Turn left and travel west on Wilson Avenue to Julian Street. Make a left turn to the stop sign. Make a left turn and follow the road to the stop sign. Turn right and follow the road to the visitor parking lot. There is quite a bit of construction going so be careful to follow the signs. There is paid parking in the lot to the left of our building. Our office is on the third floor, Suite 320.

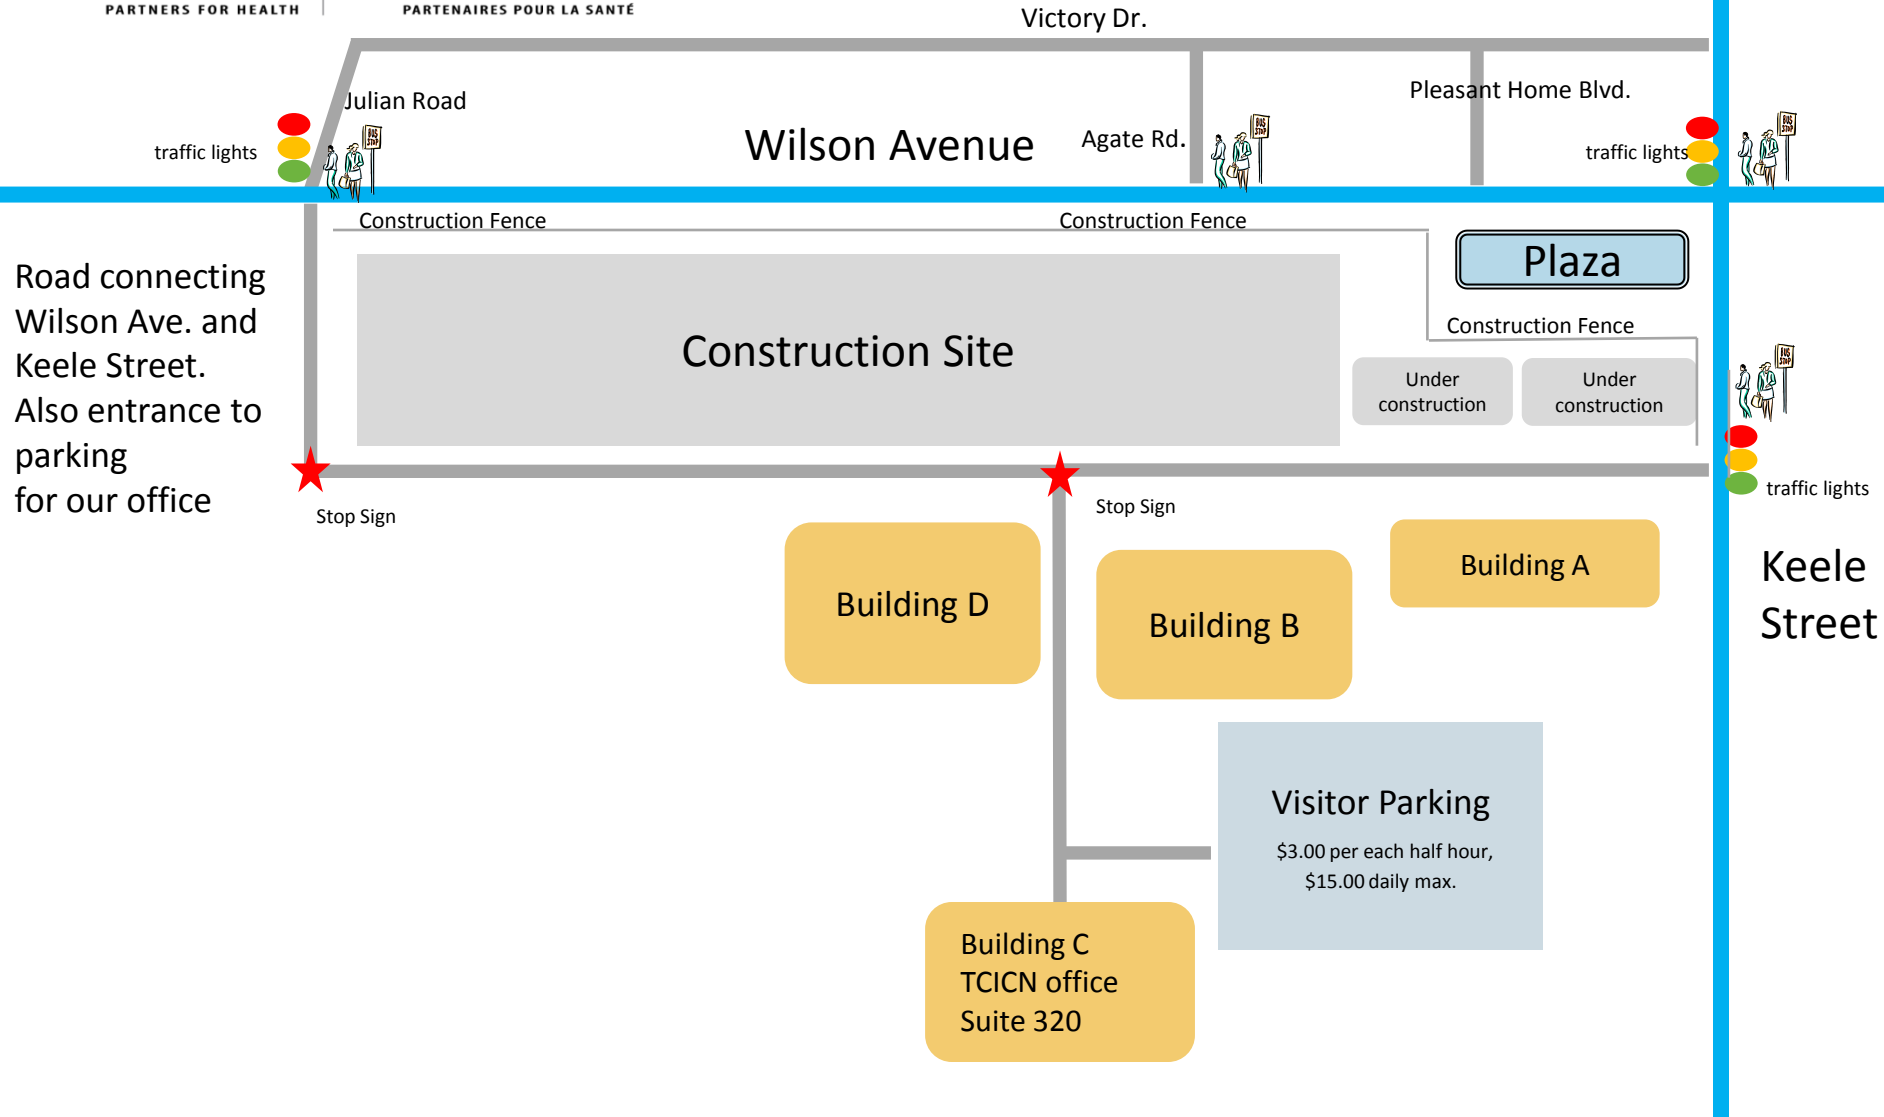

By Bus: It is easier to get to our offices by getting off the Wilson bus at Julian Rd. or Keele Street as access is limited due to the construction fence. The Keele bus should be exited at the 401 off ramp (or 401 on ramp if coming from the north end of the city).
